WHAT IS MUSIC AND MAGIC

Is it magic that brings music to life, or is music the soundtrack to magic? What's certain is that this innovative and captivating event will immerse the spectators into a fascinating blend of sound and illusion. Audience will witness how illusion can merge with reality, turning an ordinary evening into a magical and unforgettable experience.

OUR ARTISTS

THE MAGICIAN

THE GUITARIST

JACK NOBILE

Jack Nobile is a young Italian magician who has turned the art of illusion into a digital phenomenon. With his incredible skill and a fresh engaging style, he has won the hearts of more than 1.5 million followers on YouTube, where he captivates audiences with spectacular magic tricks and tutorials. Born in 1995, Jack has channeled his passion for illusionism into taking viewers to a world where the impossible becomes possible. Not just a magician, but also a communicator, he has the talent to bring anyone closer to magic, making each performance a unique experience. Jack doesn't stop at the digital world: he performs live in unforgettable shows, collaborating with major names in the field, proving that magic is more alive than ever.

THE GUITARIST

ADRIANO DEL SAL

Italian guitarist Adriano Del Sal is a true star of classical guitar, regarded as one of the most talented performers of his generation thanks to his extraordinary technical mastery and deep artistic sensitivity. Trained under legends such as David Russell and Manuel Barrueco, Del Sal has won 12 first prizes in prestigious national and international competitions, including the "Julian Arcas" and "Michele Pittaluga" contests. His performances have taken him to stages around the world, including a renowned rendition of the "Concierto de Aranjuez" with the St. Petersburg Philharmonic. Since 2015, he has been sharing his talent as a guitar professor at the University of Music in Vienna, inspiring the next generation of musicians.

THE SHOW

Music and Magic is an immersive experience that masterfully blends music and magic into a unique performance. The two artists take turns on stage with their respective acts, creating a dynamic interplay between melodies and illusions. At times, music and magic come together to produce moments of extraordinary enchantment, as Adriano's guitar accompanies and accentuates Jack's magical movements, enveloping the audience in an atmosphere of wonder and mystery.

The night will also feature captivating shadow theatre and sand art performances, adding a touch of elegance and poetry, turning each moment into an unforgettable visual and emotional experience for the audience.
